

Who can be an Incubatee?

Any start-up or any individual having a novel business idea. The proposed idea for incubation must be innovative. However, if a similar product/service already exists in the market then a value addition must be proposed. The minimum academic qualification should be at least 10th pass.

Selection and Screening of Incubatees

Selection of Incubatees will be carried out by the Incubation Centre after gaining clarity about goals, purpose, and areas of interests. The Screening Committee will consist members from eminent academicians, industrial heads, business owners, innovators and investors.
