# *Journey of 60 years...*

Shri Vile Parle Kelavani Mandal established this Polytechnic in 1963 with a munificent donation of RS. 7,50,000/- from Shri Arvind N. Mafatlal and his brothers and named the sameafter their uncle Shri Bhagubhai Mafatlal.

Mafatlal family and their industries have taken keen interest in developing the same and had given financial support. The Polytechnic receives Grants and Project fund from the State and Central Governments for establishing facilities and developing its infrastructures. The Polytechnic has developed excellent interaction and liaison with industries and has received financial support for a variety of projects and towards equipment support.

S.B.M. Polytechnic and College of Engineering has created a name for itself by maintaining high standard of discipline and performance. The Institute believes in organising need-based programmes in education and training activities.

# VISION

SBM Polytechnic & COE aspires to be the lead Institute in providing need based Technical Education

# MISSION

To provide state of the art infrastructure and latest equipments for providing a stimulating learning environment.

To prepare students to meet the dynamic needs of the industry by periodic reviewing and upgradation of curriculum through an interactive process with industry.

To inculcate a spirit of excellence in terms of academic performance, research and innovation in faculty by providing appropriate support and incentive systems.

To promote and support co-curricular, extra-curricular activities and industry interaction to make students socially sensitive and employable.

# President's Message

GLobalizationhas brought in remarkable changes in Indian Economy and Society, particularly in the sphere of technical education. Gone are the days when students pursue their graduation just for obtaining a degree. Today, both parents and students insist on quality education. Same is true in the field of technical education.

Technical education must aim at the development of students as a complete citizen and not merely becoming technically competent individual. Elements of human development such as moral, ethical, cultural and emotional values must be incorporated into the engineering curriculum. This will make them self-motivated and confident individual.

Another area of individual development is creativity and innovations. For achieving this objective, this spirit of entrepreneurship has to be inculcated to the students. In fact, India needs more dynamic entrepreneurs to create wealth and jobs for the people. This will enable them to become better engineers and managers as well.

Today, the world is passing through an economic turmoil. However, a country like India need not worry about such a situation. India is young and dynamic nation and her strength is her productive human resources. As such, focus should be on developing qualified technician who are a vital requirement for a developing nation.

SBMP & COE being a pioneer institution in the field of technical education must take up the challenges of developing students as a whole person who are able to serve the society and nation with increased vigor and enthusiasm. SVKM will be continue to give its support in this endeavor.

In the pursuit of excellence in technical education, I wish all students, teachers and staff of SBMP & COE a bright and prosperous future.

**With warm regards,**

**AMRISH PATEL**
**PRESIDENT– SVKM**

# Principal's Message

***Education is not the learning of facts, but training of the minds to think"-*** *Albert Einstein*

It is certainly a matter of pride to be a part of SBMP, the second oldest institute under the aegis of SVKM, having long legacy in the field of technical education. Our primary aim is to provide state-of -the-art infrastructural facilities like laboratories, library, and classrooms for the holistic professional development of our students.

We at S.B.M. Polytechnic and College of Enginerring make every an effort to meet the demands of advancing technology by producing high quality technicians who can be worthy of service to the industry, the society and the nation. It is our goal to strive hard to enhance quality of technical education in order to meet the futuristic manpower requirements of the industry. We continuously endeavour to improve our performance and to grow into one of the best polytechnic for the engineering educatoin in the state.

Our experienced & dedicated faculty go beyond the curriculum to give our students valuable insights required in the real life. We are fortunate to have a very progressive Management which has always rendered their support and guidance for the image building of the polytechnic.

Being a head of the Institute, I welcome talented minds to come and be the part of this institute, with glorious past and promising future ahead.

Eligibility Criteria:

A) First Year of Post SSC

(1) Maharashtra State Candidature Candidate, Union Territory of Jammu and Kashmir and Ladakh Migrant Candidature Candidates.

(I) The Candidate should be an Indian National;

(II) Passed 10th Std./ SSC examination or its equivalent, with at least 35% aggregate marks

Note : other than Maharashtra State Candidates shall be eligible for Institute Quota only.

(2) NRI / OCI / PIO, Children of Indian workers in the Gulf countries, Foreign National.

(i) Passed 10th Std./ SSC examination or its equivalent, with at least 35% aggregate marks

(ii) Any other criterion declared from time to time by the appropriate authority as defined under the Rules.

B) Direct Second Year of Post SSC

Maharashtra State Candidature Candidate.

(i) The Candidate should be an Indian National;

(ii) Passed 10+2 examination with Physics / Mathematics / Chemistry / Computer Science / Electronics / Information Technology / Biology / Informatics Practices / Biotechnology / Technical Vocational subject / Agriculture / Engineering Graphics / Business Studies / Entrepreneurship as per Schedule VI.

OR

10th + (2 years ITI) shall be eligible for admission to Second Year Diploma Course(s) in ANY branch of Engineering and Technology.

Note: Other than Maharashtra State Candidates shall be eligible for Institution quota only.

Fees and Concessions

1) Fees for Government Aided Diploma Programs

Fees Prescribed for Government and Non-Government Aided Institutes – Refer Fees Structure for Aided Diploma Programs on Institute Website.

Note: No tuition fee for SC/ST/VJ/DTNT(A)/NT(B)/NT(C)/NT(D)/SBC category candidates and for candidates admitted under TFWS. 50% tuition fee for OBC category candidates.

2) Fees for Unaided Diploma Programs

Fees for unaided Diploma Programs shall be as approved by the Fee Fixation Committee/ Regulating Authority. The final fee approved and published by the Fee Fixation Committee/Fee Regulating Authority for that year shall be the fee payable by the candidate for that course for that academic year - Refer Fees Structure for Unaided Diploma Programs on Institute Website.

For Reserved Category Candidates (belonging to Maharashtra State only)

(SC / ST / VJ DT NT(A) / NT(B) / NT(C) / NT(D) / SBC / OBC category candidates)

No tuition fee for SC/ST/VJ/DTNT(A)/NT(B)/NT(C)/NT(D) SBC/ category candidates and for candidates admitted under TFWS. 50% tuition fee for OBC category candidates.

Important Notes: The scheme/mode of concessions, scheme of loan scholarship (if any) in tuition & other fees for eligible candidates, will be announced by the Central /State Government. ## REQUIRED DOCUMENTS FOR FIRST YEAR POST SSC DIPLOMA AND DIRECT SECOND YEAR DIPLOMA ENGINEERING COURSES ADMISSION FOR THE A.Y. 2025-26

For First Year Diploma Course in Engineering (All Candidates)

1. SSC (STD X) Marksheet
2. Conversion Certificate from School (In case of Marks mentioned on Marksheet in the form of Grade)
3. SSC (STD X) Leaving Certificate / Transfer Certificate
4. GAP certificate (If year of passing SSC before 2025)
5. Birth Certificate / Certificate of Indian Nationality
6. Migration Certificate (if SSC/HSC Passed other than Maharashtra State Board)
7. Maharashtra State Domicile Certificate (if candidate place of birth is other than Maharashtra State)
8. Soft Copy of Photograph
9. Any other documents (if required as per Competent Authority)

For Direct Second Year Diploma Course in Engineering (All Candidates)

1. SSC (STD X) Marksheet
2. HSC (STD XII) Marksheet or ITI Marksheets
3. Leaving Certificate / Transfer Certificate issued by Last Institute
4. GAP certificate (If year of passing HSC / ITI before 2025)
5. Soft Copy of Photograph

For Gujarati Linguistic Minority Candidates

1. Domicile/Birth/Leaving Certificate stating place of birth in the State of Maharashtra.
2. Community Certificate issued by registered Community OR Affidavit on Rs.100/- Stamp Paper OR Leaving Certificate having information pertaining to mother tongue as Gujarati.

For Reserved Category Candidates

1. Caste Certificate
2. Cate Validity Certificate (For Scholarship and Fees Concession)
3. Non-Creamy Layer Certificate valid up to 31.03.2026 (Other than SC/ST candidates)
4. Income Certificate issued by Competent Authority for the year 2024-2025(not more than 8.00Lac other than SC/ST candidates) (For Scholarship and Fees Concession)
5. Maharashtra State Domicile Certificate (For Scholarship and Fees Concession)

For EBC/ EWS Candidates

1. Income Certificate issued by Competent Authority for the year 2024-2025(not more than Rs.8.00Lac) (For Scholarship and Fees Concession)
2. Maharashtra State Domicile Certificate (For Scholarship and Fees Concession)

For TFWS

Income Certificate issued by Competent Authority for the year 2024-2025 (not more than Rs.8.00Lac)

For Defence / Person with Disability etc.

Documents are needed as per DTE rules

Note: Please refer DTE Admission Brochure 2025-2026 for more details.

# ACHIVEMENTS

1. Six Staff Members have received "STATE BEST TEACHER AWARD" from Government of Maharashtra to honour the outstanding contribution in educational and social field in public interest.

2. Three Staff Members were trained as ISTE Master Trainer under Canada India Institutional Cooperation Project.

3. ISTE NarseeMonjee Award for Polytechnic in Maharashtra State having Best Overall Performance received in year 1989, 1993, 1997.

4. ISTE Best Student Chapter A ward in State of Maharashtra received in year 1996.

5. ISTE NarseeMonjee Award for Best Project Work done by Final Year Students in Maharashtra State Year 1990,1994,1995,1997,1998,2001,2004.

6. ISO 9001:2000 Certification for Industrial and Digital Electronics, Computer Applications and Medical Electronics Department from STQC, New Delhi, Ministry of Communication and Information Technology.

7. Resource Institution for Networking with North – Eastern State Andaman & Nicobar Island & Sikkim identified by National Project Implementation Unit under World Bank Project.

8. Community Polytechnic Scheme from Ministry of Human Resource Development, Government of India.

9. Selection by Maharashtra State Board of Technical Education as "Project Institution" for their various project of Curriculum Design and Development, preparing laboratory Manuals, Study Material, Question Bank etc.

10. Selection of Polytechnic as FC Centre by Government of Maharashtra for the Centralized Admission of Engineering Pharmacy, Architecture and Direct admission to Engineering.

11. Selection of Polytechnic for the Human & Institutional Development in Ecological Refrigeration (HIDECOR) project to conduct the training programme on "Servicing & Retrofitting of Refrigeration & Air-conditioning Appliances using Alternative Refrigerants.

12. Polytechnic is considered as a Role Model for the development of many Polytechnics in the State and Country.

13. Registered Alumni Association having more than 3000 Alumnies.

## LIBRARY

The Polytechnic library serves the students, faculty and staff members with its collection of books, journals, magazines and other material the well furnished and centralize air condition. The library located on the 5th floor is over 612 sq.mt. There is a seating capacity of 250 users, with over 58,466 books. The library is equipped with modern technology like Wi-Fi etc. The book bank facility has been set up to help the needy students.

## NSS

As per the directives from Directorate of Technical Education, NSS unit has been established in the Polytechnic from the Year 2018-2019. The activities will be carried out throughout the year.

## STUDENT INSURANCE:

Amarthya Shiksha Yojna Insurance Scheme (Student Accident (Welfare) Policy) is made available to the Polytechnic students and they are insured for the complete period of the Dipolma programme by paying one time insurance premium.

Career prospects and emphasis of various programs are given below:

## (i) Civil Engineering (NBA Accreditated)

The Diploma Program in Civil Engineering covers Materials of Construction, Use of Surveying and Leveling Instruments, Civil Engineering Drawing, Methods of Construction as applied to Buildings, Roads, Bridges, Public Health Engineering, Quantity Surveying and Estimation and Entrepreneurship.

The student is also provided with adequate background in Designing of Structures and in Project Management.

Civil EngineeringTechnician can take up supervision of construction of all types of works, such as Surveying, Leveling and Data collection. He / She can also be useful in Materials Management, taking measurements, etc.

He / She can get employment as Overseer / Junior Engineer in Municipal Corporation, Buildings and Constructions Department, Irrigation and Power Department, State Electricity Board, Housing Board, Building Repairs and Reconstruction Board, etc. He / She can get appointment as Supervisor in Private Construction organizations.

The student can also find employment in consultingorganizations for Designing work. So also, he / she can work independently as a Contractor.

## (ii) Mechanical Engineering (NBA Accreditated)

The Diploma Program in Mechanical Engineering lays emphasis on manufacturing in engineering industries. Syllabus covers subjects such as Work Study, Production Management, Process Engineering, Tool Design, Mechanism, Power Engines, Refrigeration and Air-conditioning, Hydraulic Machinery, Machine Design Practice and Entrepreneurship. Students can, work in Engineering Department, Inspection, Quality Control, Maintenance and Production Shops, and Industrial Engineering Department in Engineering Industries involved in manufacture of Industrial Machinery, Machine Tools, Automobiles, Ancillary Industries, Electrical Machinery, etc.

## (iii) Electrical Engineering (NBA Accreditated)

This Program lays emphasis on Power Distribution and Utilization. It covers subjects like Electrical Engineering Materials, Drawing and Estimation, Electrical Machines, Electrical Power Generation and Distribution, etc. In addition, the student is also acquainted with subject like, Basic Electronics, Engineering Economic Analysis, Effective Supervision and Entrepreneurship.

Students passing the Diploma Course in Electrical Engineering can get employment as Overseer or Estimator with Electrical Contractors and as Junior Engineer in Organization like State Electricity Board, BSES, BEST. The can work as charge hands in Maintenance and Erection filed also and can get an opportunity to work in Assembly, Testing and Departments in Industry manufacturing Electrical Machines and Equipment. They can have an opportunity to work as Sales and Service Engineers.

## (iv) Electronics and Telecommunications Engineering

Electronics and Telecommunications Engineering deals with analoganddigital transmission/ reception of video, voice and data. The curriculum focuses on courses likeBasic Electronics,Communication Engineering (digital and analog),Microcontrollers,Satellite Communication, Microwave Engineering, Antenna and Wave propagation, VLSI, Internet of Things, Mobile Communication and Optical Fibre. Industrial training incorporated in the curriculum enhances the students' practical skills.

The job prospects include Technical Assistant, Supervisor, Operator in Quality Control, and in the Production and Maintenance Departments of several industries. There are entrepreneurial opportunities in the field of manufacturing and servicing electronic equipment.

## (v) Plastics Engineering (NBA Accreditated)

The Plastics Engineering Diploma Program lays emphasis on engineering aspects of Plastic Industry. It deals with various processes used in Plastic Processing Machinery, Mould Design and Fabrication and Plastic Testing with sufficient knowledge of properties of Plastic materials. The students can work in Tool-Rooms making Moulds, in Plastic Industry making end products and Manufacture, Installation, Maintenance and Servicing of Plastic Machinery. There is a scope for development as an entrepreneur also. Unlike a technology program, this course is on the Engineering side oriented to Plastic Industry. Students cover subjects such as, Production Planning and Control, Inspection, Effective Supervision and Engineering Economic Analysis which improve their awareness to needy areas, such as personnel, costing and management.

## (vi) Chemical Engineering (NBA Accreditated)

The Diploma Program in Chemical Engineering deals with various aspects of Chemical Industry, such as, Unit operations, Process Technology of Important Commercial Chemicals, Process Control and Instrumentation, Maintenance and Material Handling. The course covers, important subjects such as, Corrosion and its Prevention, Pollution and its Control, Quality Control and Safety in Plant Operation. The students undergoing this Course get well conversant with the Plant Operation and Maintenance of Modern Chemical Plant.

They can work in industry as Foremen, Supervisors and thereby fill the gap between the Chemical Engineer and the Craftsman. They can also work for Fabrication, Erection and Commissioning of Plants. The students will be suited to Chemical Industry manufacturing Organic as well as Inorganic Chemical.

## (vii) Computer Engineering (NBA Accreditated)

The Program is Three Years Full Time, Un-aided, Non-Sandwich Semester - Pattern having Multipoint Entry & Credit System. The emphasis of the course is on Computer Education at a Technical Level covering Knowledge of Software : Programming Languages, System Analysis and Design, Database, Concepts of Operating System, Hardware : Maintenance & Servicing of Electronic Circuits, PC Architecture, Basics of Computer Technology, Maintenance & Servicing of Computer, Peripheral Devices and Instruments at higher semesters along with basic Science Subjects - Mathematics, Physics, Communication Skill / English - in first and second semester.

The Students learn the fundamentals of Computer Maintenance and Servicing leading to become.

a. A Service Technician
b. Assistant Programmer in Software Industry.
c. Computer Maintenance Technician.
d. A Computer Programmer.

## (viii) Information Technology (NBA Accreditated)

The Program is three years full-time, Un-aided, Non-Sandwich semester Pattern having Multipoint entry & Credit System. The emphasis of the course is on Information Technology with computer education at a Technician level covering knowledge of Software : Programming languages, System Analysis and Design, Database, Concepts of Operating Systems, Data structure communication related topics, Internet, Entrepreneurship, Hardware : Electronic Devices, Digital electronics, Robotics, Computer Peripherals at higher semester along with basic subjects - Mathematics, Physics, Communication Skills, Generic Skill, basis of Engineering Drawing in first and second semester. The content of syllabus is having weightage of around approx 70% to 30% as software to hardware respectively. After completion of Diploma students will be able to work as: –

- A Database Administrator
- Programmer
- System Network Administrator
- Web Application - Developer
- Customer Support Services

# Inplant Training

The students receive institutional training for first four and sixth semesters. In the fifth semester they are sent to Industry for Inplant or Field Training. This scheme enables the students to learn under actual work-situations during their training and improves their prospects for employment.

The scheme of training and academic instructions is schematically shown below:–

| | Odd Term/ Semester | Even Term/ Semester |
|---|---|---|
| 1st Year | Institution | Institution |
| 2nd Year | Institution | Institution |
| 3rd Year | Inplant | Institution |

The Final Diploma is awarded after satisfactory completion of training of Fifth semester and institutional training with examination at the end of the Sixth Semester. **The list of Placement Industries:**

# SOME PROMINENT RECRUITERS

## Choice & Credit Based System

Effective from 1981-82, the Polytechnic has adopted the Choice & Credit Based System (CCBS) with provides for:–

- Registration and Examination of subjects in every semester.
- Pace of study suited to individuals.
- Optional subjects in disciplinary as well as inter-disciplinary field.
- Cumulative progress record and performance of students.
- A master plan of subjects offered in each half of the year in various disciplin of study.

The Rules of Choice & Credit Based System are available in the Polytechnic Library and on the website: **www.sbmp.ac.in**

## Academic Freedom

All India Council for Technical Education recommended that, as an experimental measure, one Polytechnic from each State should be given academic freedom to frame curriculum, to impart instruction and to evolve a suitable pattern of examinations. This experiment was to make the intended Technician Training more practice-oriented and make technicians directly useful to industry on completion of their training.

The Maharashtra Government chose Shri Bhagubhai Mafatlal Polytechnic as the experimental Polytechnic. The Diploma Programs in Civil, Mechanical and Electrical Engineering were granted academic freedom from June, 1969.

Effective from 1989-90, the Polytechnic was granted full autonomy to conduct all the examinations including final year and award the Diplomas.

## Soft Skills Training

We provide for a strong foundation for the all-round development of the student. To make the student corporate ready, the first year focuses on laying a foundation on the English Language Skills. The second year focuses on Self management and People Skills which include programs on Personality Development, Presentation skills, Goal Setting, Confidence building, Conflict Management, Inter-personal Skills, Negotiation Skills, Team building and Decision Making. A pre-placement package in the final year focuses on Interview Skills, Group Discussion, Business Etiquettes and Work Ethics.

The soft skill training is compulsory for all the students.

# Facilities and Amenities

**Smt. DhirajbenDhanjibhai Mehta Book Lending Library**

Under this scheme, certain prescribed text books are lent to the students for a period of one year on nominal hire charges.

## Placement Services

Various industries approach the Polytechnic for recommendation of candidates for suitable employment. Attempts are made to guide the students and help them in obtaining suitable employment or in bettering their prospects. These activities are coordinated by the Training and Placement Officer.

**S.B.M. Polytechnic Students Stores**

S.B.M. Polytechnic Students Stores helps students to procure their needs of journals, workshop tools, drawing materials, etc. at reasonable rates in the premises of the polytechnic.

## Polytechnic Gymkhana

The Polytechnic makes every effort to provide facilities to its students to develop their athletic, sports and cultural activities. The Polytechnic Gymkhana is looked after by the Gymkhana Committee consisting of representatives from the students and staff with the Principal as its President. The Polytechnic is taking part in Inter Zonal and Inter Diploma Sports held every year for all the Polytechnics of the State. It has given a good account of itself in the sports by winning many prizes and shields.

## Career Guidance and Counselling

The Polytechnic organizes career guidance and counselling activity under SVKM Mastermind event for post SSC/HSC students every year.

## ISTE Chapter

The ISTE Chapter is constituted for advancement of the technical activities of students, to develop social contacts among themselves and to promote their cultural and intellectual development. The activities of the Chapter include arranging technical lectures, discussion on papers, seminars, technical films and visits to engineering projects and factories. The Fun-Fair Programme is arranged under the auspices of the Students' Chapter with a view to giving an opportunity to parents, guardians and friends of the students to visit the polytechnic, meet the members of the staff and gather first-hand information about the Polytechnic.

## Alumni Association

Alumni Association of Shri Bhagubhai Mafatlal Polytechnic has been established in May, 1980. Past students of Shri Bhagubhai Mafatlal Polytechnic are requested to send their names and addresses along with course, year of passing and employment particulars to the Principal and enroll themselves as life members.

## Mentoring

All the students are provided counselling and guidance by the teacher In-Charge(mentors).

## Student's Chapter

The Student's Chapter of the institutions of engineers (India) is established for advancement of technical activities of students with a view to develop their overall personality. The activities of Student's Chapter include, organizing technical or general quiz competitions, technical or general lectures of exports, career guidance programmes etc.

## SBMP CSI Chapter

Computer Society of India, professional body, has grown to an enviable size of 100,000 strong members consisting of professionals with varied backgrounds including Software developers, Scientists, Academicians, Project Managers, CIO's, CTO's & IT vendors to just name a few. It has spread its branches all over the country. Currently having 488 student branches and rooted firmly at 73 different locations.

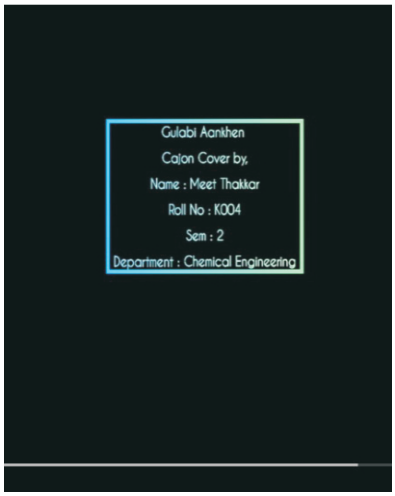
## स्वराविष्कार (Swaravishkar)
## Musical hobby club of SBMP

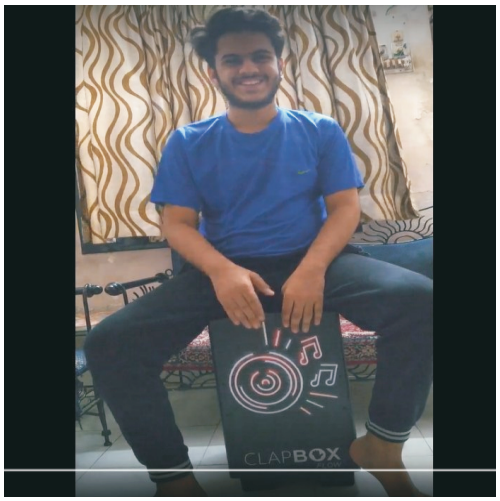
**स्वराविष्कार (Swaravishkar), the musical hobby club of SBMP was organized to bring down stress related to academics and pandemic by engaging interested students in music related activities. For implementing above activity a club was created on MS teams on 28 April, 2021 and interested students, faculty members were encouraged to join the same by sharing a team code. 37 interested members joined the team. Following instructions were given to the members:**

Welcome you all at **स्वराविष्कार** (Swaravishkar), musical hobby club of SBMP. As you have joined this club, you already have zeal for music. So start posting your musical videos viz. singing or playing any musical instrument here. Before that read following points:
1. Video should not exceed 3 minute duration.
2. Whichever stuff you upload, should be original.
3. Rename the video in the format: full name_roll no._current semester_department

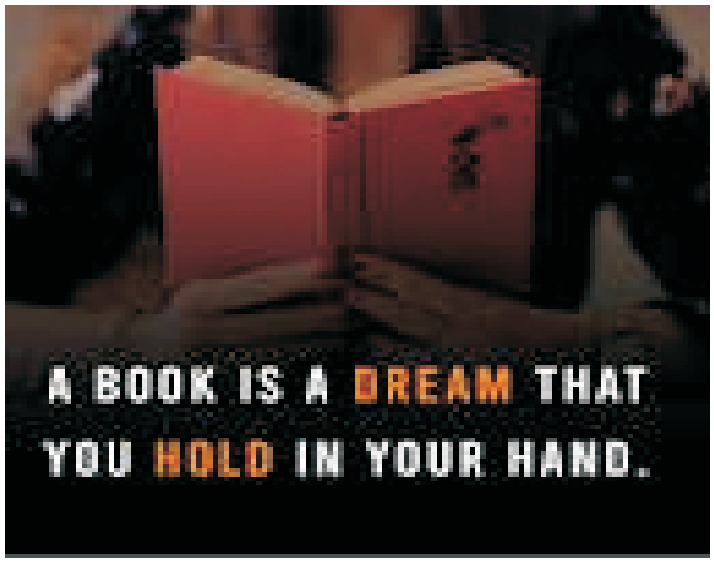
So what are you waiting for guys? Prepare the videos and post.

**Students from various departments participated in this activity by sharing their videos of singing and playing various musical instruments. These videos were later uploaded on the official YouTube channel of Bhagubhai Polytechnic. Following are the glimpse of videos:**





# ***SHANTINIKETAN –LITERARY CLUB OF SBMP***



**LITERARY CLUB** is a club made for people who love literature, and want to share their experiences, readings and thoughts with others who have the same interest and talent. It aims to bring together like minded literature enthusiast and promote in them *analytical and creative thinking skills*.

It offers opportunities to appreciate different types of literature and increase their own literary skills. The Literary Club aims at not only refining the literary skills of the students but also developing in them logic and curiosity to know more. There would be gamut of activities for students, reviews of books that may invoke interest among other students as well as recommend good books to other students.The activities of this club in the institute also involve the creation of written materials in various forms such as short stories, serial stories, poetry, essays, articles. We hope to conduct and engage the students in activities like “QUOTE OF THE WEEK” ,POEM OF THE WEEK , etc on display boards . Also competitions like debates recitation are planned to instill confidence and thinking capability.

# Math Club SBMP

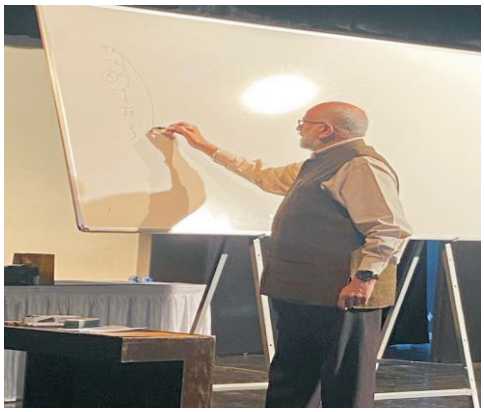
On 22/ 12/2021, a colourful and memorable inauguration of Math club SBMP was organized in our college. This event was whole day long and was held in the auditorium Juhu Jagruti at Mithibai College. This event was organised to inaugurate Math Club SBMP and to celebrate National Mathematics day that is celebrated on Dr. Srinivasan Ramanujan's Birth day. In this mega event 80 students of first year engineering of all disciplines took part.

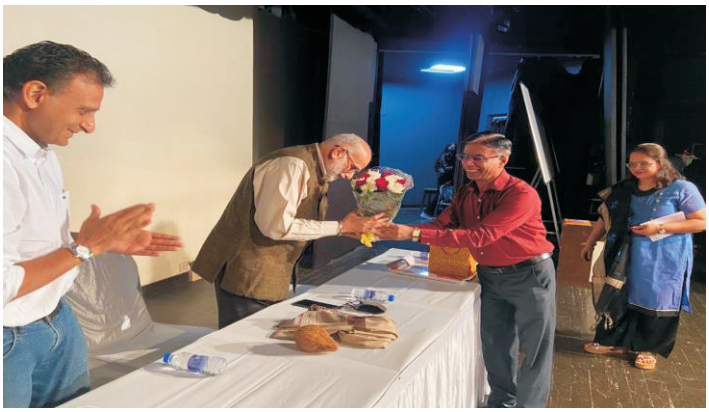
Then the Chief Guest, Dr. Madhav Welling sir, advisor to president SVKM arrived. There was a colourful welcome followed by lighting of the lamp. It was accompanied by a melodious Saraswati Vandana, hailing the goddess of knowledge and wisdom. It was followed by a welcome speech given by the Dr. Kavita Dange Maths Teacher SBMP. Then there was bouquet presentation to the invited guests and the grand event began. Then followed by Dr. Madhav Welling sir's expert talk on "Real Life Application of Mathematics". The talk was really enlightening and audience gained great knowledge of mathematics use in practical life.

The second event of the day was a Quiz containing three tricky questions on mathematics conducted by our beloved mentor Mr Amit Sheth sir. The cash prizes distributed to the students won this quiz. Each winner got cash prize of Rs.1250 from Amit Sheth sir. Then there was a Sudoku competition arranged by Maths teachers and distributed the five main prizes and 20 consolation prizes to the winners.

A movie "The man who knew infinity" screening was done at the end that is based on the life of Srinivasan Ramanujan to encourage students towards mathematics.The event ended by providing refreshments to participating students.

We really enjoyed a lot and dispersed with a sincere hope that such mega events should be organized by Math club SBMP and again giving the students a chance to display their talents in mathematics. Also to create awareness of mathematics skills among other students.





The math club event of making posters on real life application of mathematics was conducted on 13th May 2022. In this event students made posters and displayed in seminar hall. Then it was judged by Dr. Sushil Kulkarni Dean of school of Mathematics and Applied sciences. Then five best posters were selected and given them prizes.
