

Team Hyperion : GKDC-Competition-2025

At the outset we the team Hyperion at SBMPCOE are greatly thankful to our management for supporting us for supporting for designing and manufacturing the Vehicle enabling our team to take part in the National Level GKDC-Design Challenge Competition conducted by ISNEE-INDIA every year

Team Hyperion comprises students from Mechanical Engg, Electrical Engg, Plastics Engg and EXTC Engg working for interdisciplinary Project eV

This year also the aforesaid event was conducted at Coimbatore-Tamilnadu from 19th Feb to 24 the Feb 2025

Team Hyperion is the only Team from Diploma Engineering Education participating into the GKDC Competition for the year 2024-25

Team Hyperion could pass the design challenge and technical inspection test in first go and successfully competed the competition

Faculty coordinator Shri N D Adate, I/C HOD EE and Shri G B Deshpande from Mechanical Engineering, and Mrs Rameshwari Bawankar guided the students for making the EV Project successful

Finally we thank our principal Dr. M Z Shaikh and Vice- Principal Mam Mrs Neeta KAdukar for helping and motivating us from time to time
